

Samina Anjali McLeod

Samina Anjali McLeod
was born on
January 31, 2009 at 5:44 AM.

Anjali was impatient to see the light
of the world
and arrived eighteen days ahead of
her due date of birth.
At birth she weighed 5.5 lbs. and
measured 19 inches.

When Anjali came to her home she was
welcomed by
beautiful nature - orange foliage
in the backdrop of the
multi-coloured bricks of the house
and violet hyacinth, purple magnolia and
yellow daffodils that bloomed.

Happy parents - Lamis and Jamie
and Nana-Nani seek your blessings.
